Dear Mr. Smith:

I am writing to say thank you again for your generous contribution of all the fireplace accessories for the Cystic Fibrosis Silent Auction that was held on November 17. I am happy to report that our event was a great success. We had over 800 local attendees and raised over \$90,000 for Cystic Fibrosis research! Thanks to your generosity, we are another step closer to better treatments and ultimately, a cure for Cystic Fibrosis.

Once again, thank you for helping the children and young adults with Cystic Fibrosis. I wish you a wonderful holiday season.

Sincerely,

Karen Lapenta
Cystic Fibrosis Volunteer
