A brief note of appreciation to the entire team at Wood Stove for their professionalism and service throughout the process of installing two gas log fireplace units.

Your insights into the most efficient and effective means to address the challenges of installation were greatly appreciated. Your team always arrived as scheduled. They adequately explained what needed to be done and what would accommodate our need and expectations.

To you all we are truly thankful as we are now enjoying the fruits of your labors as we enjoy the convenience of functioning fireplaces.

Thank you again. It has been a pleasure doing business with you.

Sincerely
